Grace was in all her steps, Heaven to her eye, In every gesture dignity and love! So appeared Mother Eve, and so shine her fair descendants, with the exercise of common sense, care and proper treatment. An enormous number of female complaints are directly caused by dis-turbance or suppression of the Menstrual Function. It is from the recipe of a most distinguished physician. It is composed of strictly officinal ingredients, whose happy combination has ents, whose happy combination has never been surpassed. It is prepared with scientific skill from the finest materials. It bears the palm for constancy of strength, certainty of effect, elegance of preparation, beauty of appearance and relative cheapness. The testimony in its favor is genuine. It never in its favor is genuine. It never fails when fairly tried.

This will certify that two members of my immediate family, after having suffered for many years from menstrual irregularity, and having been treated without benefit by various medical doctors. at length completely cured by one bottle of Dr. J. Bradfield's Female Regulator. Its effect in such cases is truly wonderful, and well may the remedy be called "Woman's Best Friend."

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla. Since then Mr. LELAND has recommended AVER'S SARSAPARILLA in many similar

cases, and he has never yet heard of its failure to effect a radical cure. Some years ago one of Mr. LELAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Hot rible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direc tion, was supplied with AYER'S SARSAPA-BILLA which allayed the nain and irritation. healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AVER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York. Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.

RHEUMATISM

Although a practitioner of near twenty years. my mother influenced me to procure B. B. B. for her. She had been confined to her bed several months with Rheumatism which had stubbornly resisted all the usual remedies. Within twenty-four hours after commencing B. B. B. I observed marked relief. She has just commenced her third bottle and is nearly as active as ever and has been in the front yard with "rake in hand," cleaning up. Her improvement is truly wonderful and immensely gratifying. Jacksonville, Ala., June 6, 1884 KIDNEY TROUBLE

For over six years I have been a terrible sufferer from a troubiesome kidney complaint, for the relief of which I have spent over \$250 without benefit; the most noted so-called remedies proving failures. The use of one single bottle of B. B. B. has been marvelous, giving more relief than all other treatment combined. It is a quick cure, while others, if they cure at all, are in the distant future. C. H. ROBERTS, Atlanta Water Works.

Scrotula. Dr. L. A. Guild, of Atlanta, who owns a large nursery and vineyard, has a lad on his place who was cured of a stubborn case of Scrofuls, with one single bottle of B. B. B. Write to him about the case.

a son who had a sloughing, scrofulous ulcer of the neck, and had lost his hair and eye-sight, finding no relief. One bottle of B. B.
